Our story

Established in December 2019 under Viet Hong Group, VHG Styles was built around a simple guiding principle: **“provide exceptional quality products & customer service with unequalled value”**

VHG Styles is driven by the mission to bring made-in-Vietnam goods to the world, with our chief product being bathroom accessories such as wooden cabinets, stone surfaces, sinks, faucets, mirrors, etc.

The products of VHG Styles Viet Nam have an origin in Vietnam, are manufactured by Vietnamese workers and exported to US and European markets.

With only a short time in operation, VHG Styles Vietnam understands that there will be many obstacles in our path. However, with 28 years of experience inherited from Viet Hong Group, with the vitality, resilience, and passion of our staff, with the agility in catching opportunities of our executives, VHG Styles Viet Nam believes we will make a mark in the industry.

style & sophistication

leading-edge design

innovative design & functionality

Designed with a smaller bathroom in mind, this collection is by no means short of excellence.

With a gorgeous finish and a high-gloss polymarble basin. This vanity combines both design and practicality. Crafted with compressed bamboo and features soft-closing doors and drawers. Other finish options include classic white, modern grey, plum and wenge.

Vanity collection

All the components of our vanities are individually available. For more information on sizes, style, configuration, finish, material and availability, please contact your VHG Styles sales representative.
